

MARCH 17, 2018
WSCYC CRUISE
To Gig Harbor

Attention all Cruisers and Racers:

Join fellow WSCYC members in this year's St Patrick's Day Cruise. We will be rafting together on the Gig Harbor Public Dock on Saturday, March 17th. This Public dock, also known as Jersich Dock, is located in Gig Harbor past Tides Tavern and The Gig Harbor Boat Yard. This newly refinished dock is complete with restrooms, showers, power and water. This is a PAY dock and rafting on the West side is allowed. Fees are collected onshore at a pay station.

Cruisers:

Sail Friday and tie up to the dock, and head to the Mexican restaurant, EL Pueblito for dinner, and Karaoke at 9 pm. The Jerish Dock is a public dock that does fill up on busy weekends. Come Friday or arrive early Saturday to assure a spot. Rafting is permitted, but outside boats will not have access to power.

Racers:

GHYC is hosting the Islands Race. This race is Saturday March 17th. This race is open to all sailboats and starts just outside the entrance to Gig Harbor, up Colovos Passage and return. Check GHYC website for more information.

After the race Saturday, Bobby O'Toole, our own Irish Chef, will be serving Corned Beef and Cabbage aboard Cloud Nine. Members are encouraged to RSVP, and bring a side dish or dessert.
